 ROCKY FLATS GROUNDWATER COMPLIANCE AUDIT CLOSEOUT

000024599

NEIC staff along with EPA-Region VIII and Colorado Department of Health observers have been conducting a groundwater compliance audit on Rocky Flats from April 6-16, 1987. This audit has focused on the RCRA groundwater monitoring/analysis program in operation at the plant. NEIC activities over this two week period have included: field sampling and observations; laboratory evaluations (Building 881); document reviews; interviews; technical meetings on related topics (i.e. hydrogeology, regulatory framework, monitoring well construction).

A closeout meeting for this EPA audit is scheduled for April 16, 1987 from 1:00 - 2:30 p.m. in the Building 115 (DOE-RFAO) main conference room.
